CONTRACTING

Recruitment and HR Trackers

Your people are your company's lifeblood, your greatest investment. On one hand a major overhead - on the other, the difference between business success and something less. Curno Consulting will assist you to strategically empower and grow this vital asset.

At Curno Consulting we are results driven and people focussed - bringing the right resources together. Our

business style is both professional and friendly. We find people respond well to our personal approach, resulting in long-standing relationships. Curno is a progressive recruitment and HR tracking company

with a big heart and a down to earth approach.

Recruitment, Contracting and Outsourced Training Services - Curno Consulting gets to the heart of your staffing needs.

Empowering you with choice

R E C R U I T M E N T

Curno Consulting - Recruitment - working hard to search and select new people across all areas of your business. Our aim is to fully understand our clients' requirements - to work alongside you as business partners. We go to equal lengths to gain a close understanding of our candidates - from their skills and experience to their career aspirations and life goals.

We bring the right people together.

Professional and lasting recruitment solutions

C O A C H I N G & D E V E L O P M E N T

Curno Consulting - Coaching and Development - a professional approach to business. Ongoing investment in coaching and development creates organisation-wide benefits - adding value to your teams, building company culture, increasing morale and retention levels and decreasing absenteeism. Do you have the time and know-how to source the best educators on the business block? Curno does - we source specialists in all areas of Human Resources. We track the best resource options for you and they deliver.

Helping you to develop your greatest asset

C O N T R A C T I N G

Curno Consulting - Contract Solutions - making flexibility count. In the fast-changing world of business, this week's headcount may become next month's liability. Contracting professional expertise is a strategic and economically sound business solution. Curno Consulting assigns contractors to focus on what they do best, to suit your specific demands, time frame and budget.

A professional helping hand when you need it
